Preferred Partners Program

WELCOME TO OUR SACRED FEMININE COMMUNITY PREFERRED PARTNER'S PROGRAM

Our Sacred Feminine Community is Honoured to be able to offer you the opportunity to become part of our Preferred Partners Program (PPP) and join us in our Mission to *'Touch the Lives of Women Everywhere'*.

We welcome women from all over the world who are Passionate about what they can offer to the Sacred Feminine Community as well as the Women of the World.

From one-to-one Personal Consultations, Classes, Courses to Online Events with hundreds of Women tuning in, we would like to thank you for taking this opportunity to share your Passions and your Services with us.

For Your Awareness

Our Preferred Partner Program was originally created to serve three main purposes. Firstly, it has been designed to help all our members who have a dream for their passion, hobby, service, or business, to be able to build & develop their business into a highly successful enterprise.

Secondly, we help our members to archive their dream by giving them access to our growing membership and promoting their products on many platforms. This will continually allow our Preferred Partners to *'Touch the Lives of Women Everywhere'* through their passion, drive, and desire to be more.

Thirdly, our Preferred Partner Program was created as a way for Our Sacred Feminine Community, to generate an income where a percentage of that revenue will be donated to homeless women's charities that support women who are victims of domestic violence & homeless.

By being a Preferred Partner, you will not only be able to develop your Passion, Hobby, Service or Business, you will also help us to *'Touch the Lives of Women Everywhere'* and you help to support our sisters in greatest need through the homeless women's charities.

We are currently supporting two local charities that are close to our heart:

As the Sacred Feminine Community grows,
we look forward to witnessing your Business & Personal growth.

If you would like to discuss anything in person, please contact us [HERE](#), to let us know your location and we will arrange someone to connect with you over zoom at a mutually convenient time.

The Pillars and Values Of Our Sacred Feminine Community

At the core of Our Sacred Feminine Community are women who want to make a difference in their own lives and the lives of women everywhere.

We are passionate about creating opportunities for all women to connect with other women who have the same or similar interests, building their self-confidence whilst walking the path with each and every woman on the journey of Self-Love.

Our philosophy is that *'No Woman has to do this Alone'* and we want to *'Touch the Lives of Women Everywhere'*.

The Foundation of our Community is built upon our Pillars and Values. Each of these is integral to our Sacred Journey. We Live & Breathe these Values and bring them to life in every interaction, every Community Event and every Tribe.

Our Pillars

Community - Personal Empowerment -
Sacred Feminine - Business Opportunity

1. Our Community - Belonging: Belonging is a basic human need. It is as important to us as the need of food and water. Connection and Community is the core of everything we do at SFC. Our Community and Tribes give us a unique way to find others with similar interests and passions so that we, as women, can come together and share our unique voice with the world.

2. Personal Empowerment – Self-Love: Our mission is to empower women to truly love themselves.

We believe in uplifting everyone we come into contact with.

We offer opportunities and programs with a core theme of Upliftment, Empowerment and Growth.

3. Sacred Feminine - Being: Who we are being in any moment impacts everything and everyone in our lives. SFC is about connecting to our sacred feminine. Reacquainting ourselves with our inner Goddess & shining a light on the Divinity within ourselves and each other.

4. Business Growth - Opportunity: Our Sacred Feminine Community is a Global platform where women can share their unique voice with the world.

We offer a way for women everywhere to embrace their gifts and share their wisdom, programs, and business with others.

We offer the opportunity to share your offerings with women everywhere.

***Our Pillars are our Direction, and our Values are our Breath.
We Live to bring them to life in every Interaction,
every Community Event and every Tribe.***

Our Values

1. FAITH

We have Faith in our belief that the Universe is always supporting and guiding our steps. Following the guidance as it shows up, we have Faith in our capacity to be instruments in creating something wonderful.

We also have the Faith in the goodness of everyone we encounter.

2. GENEROSITY

Our Sacred Feminine Community believes that by giving we receive. We give love and compassion to ourselves and with that we can give of our time and energy to others. We create events and tribes that feed our soul and by doing that we are feeding the soul of others.

3. CONNECTION

One of the underlying needs of women all over the world is to experience Connection. Deeper Connections with ourselves, with each other and with Community. As Our Sacred Feminine Community believes that no woman should have to be alone, we provide opportunities every day for all women to experience Connection in whatever way they desire. From chatting over coffee with members of a Local Tribe to Connecting with women online in our Global Communities, in every interaction we are building connection.

4. ACCEPTANCE

We offer total acceptance of Self and Others. No matter your upbringing, beliefs, or orientation, we at SFC value everyone's unique voice and contribution. We do not believe in judgement or condemnation, instead offer love, peace and acceptance to everyone we meet and in every interaction.

5. SERVICE

To be in service is what gives our life meaning and a sense of fulfillment.

We are in service to ourselves by acknowledging our needs, whether it is connection with others, uplifting ourselves or reawakening our Sacred Femininity. We are in service of each other by holding space whenever it is needed, walking the same path with other women on our Journey of Self-Love and providing a helping hand when asked. When we can make a difference in the lives of others, we show up and shine in the world, and when doing this we are at our absolute best. We believe that when we come from a space of service and adding value to another woman's life, we will be abundantly blessed and taken care of.

6. LOYALTY

We are loyal to our community. We do what we say, and we have each other's back. We celebrate our differences and always show respect. Knowing that we are held by others gives us confidence to stand tall, make changes and take measured risks knowing that we are part of something bigger than ourselves.

7. REASON

We see through the lens of Reason. Coming from a position of "Is it reasonable?" and if we notice that we are being unreasonable, we then take responsibility and always ask "What is the need in this moment?".

8. GROWTH

We have the opportunity to learn something new every day and move beyond our limitations. We surround ourselves with other women who are also willing to be open to growing and learning. We support others in their journey by encouraging them to step up in our community as Tribe Hosts or Event Facilitators. We believe that together we can learn more and become more.

9. FEARLESSNESS

We believe that in order to live our dream life we must face our fears. With Courage and Support, we lean into the things that scare us so that we can move through them rather than being stopped by them. Our belief is that every person has something amazing to contribute, so we encourage women to move through their limiting beliefs so that they can shine brightly and bring their gifts to the world.

10. JOYFULNESS

Fun, Joy, Light heartedness is at the core of everything we do, every event we host and every interaction we have. Laughter is the greatest medicine and the gentlest teacher. Being able to laugh at ourselves allows us to have fun and not be too serious. We bring a lightness to every interaction and others. Love and Laughter brings a healing, ripple effect that makes our world a better place.

"We are not meant to move through this life alone but to find a Tribe of Loving and Supportive Sisters to come together and share our stories, extract our unique message and use our voices"

- Lori Harder

*“Creating a Movement of
Love, Growth & Connection”*

Thank You

Thank you for joining Our Sacred Feminine Community.

Thank you for being a woman whom we would like to connect with on a deeper level.

We believe we can have a beautiful connection that doesn't take away from our time and energy, but instead restores, recharges and adds more value to our lives.

We are a group of women who know with certainty that there is more to be experienced in this lifetime than what is seen on the surface.

We sense our calling to live in a more meaningful way.

We no longer choose to travel alone and we have a mutual interest in elevating ourselves as much as we do each other.

We enrich each other's experience and learn to accept ourselves whilst traveling through this masterpiece called life.

And we welcome you to join us.

“When you are inspired by some great purpose, some extraordinary project, all of your thoughts break their bonds: your mind transcends limitations, your consciousness expands in every direction, and you find yourself in a new, great and wonderful world. Dormant forces, faculties and talents become alive, and you discover yourself to be greater person than you ever dreamed yourself to be.”

– Patanjali
